Wireless Ultra-Slim Keyboard

E9070

With its award-winning, ultra-slim design and rugged stainless steel housing, the elegant E9070 is a real eye catcher whether used on your desktop or on the go with a laptop. The Fn multimedia keys provide easy, convenient, and instant access to all-important multimedia functions. What's more, Rapoo's latest energy saving technologies offer a battery life of up to 24 months, minimizing the nuisance of replacing batteries.

▸ Reliable 2.4 GHz wireless connection

Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

▸ Ultra-slim 5.6 mm design

Slimline and rugged: The award-winning ultra-slim 5.6 mm design makes this keyboard a real eye-catcher while the brushed stainless steel housing offers stability and durability.

▸ Up to 24 months battery life

Low energy consumption: Rapoo's latest energy-saving technology combined with the on/off switch means you can use this keyboard continuously for up to 24 months.
